The Illinois International Port District has received, in part, clarification to the proposed RFI for a Port Hotel and Marina Facility. Please see our responses below.

- 1) Is there any data available on the usage Harborside facilities such as the number of banquets including types of use (wedding, corporate) number of golf tournaments, outings etc.
 - a) Harborside International Golf Facility typically hosts around 70 different catering events annually.
 - i) Approximately, 50% will be social in nature;
 - ii) Weddings garner approximately 35%; and
 - iii) The remaining would fall in the Association/Corporate/Religious category.
 - b) Harborside International Golf Facility typically hosts around 200+ golf events that are contracted on a yearly basis. This accounts for 30% of our annual rounds played at the course.

Please continue to check back for additional questions and responses.

Thank you.
